

Faith Baptist Church D-Group Discussion Guide
June 2, 2024

1. What are some popular opinions of Jesus that you've heard? How do they parallel Herod's or the crowd's response from Luke 9? What is the major shortcoming of these opinions?

2. How was Peter's response (v. 20) different from the common Jewish expectation of the time? Why is this the proper response? What other Scripture supports this notion?

3. What is so significant about the Father's declaration in verses 34-36? What purpose did this declaration serve for the disciples? What implications does this have on us today (the current disciples of Jesus)?

4. Read 1 John 5:1-5. How does our belief impact our behavior? Discuss the behaviors that evidence our obedience to God's commandments. How can group members encourage you to walk in this obedience?

Homework for Sunday: Read Luke 9:51-10:24
