Philippians 2:1-2

1. What traits of the church bring you the most joy? What actions can be sources of discouragement?

---

---

---

2. How does the trinitarian understanding of God help us appreciate what we have through Him? In what ways have you experienced being in Christ, being loved by God, and having fellowship in the Spirit? How has this changed the way you live?

---

---

---

3. Practically, what does it look like to be of the same mind, maintaining the same love, being united in spirit, and being of one purpose? Why would this make Paul's (and our) joy complete? How does this lead to unity within the church?

---

---

---

4. What part do you play in the joy and unity of the church? What distractions can be an obstacle to unity? How can we avoid or overcome these obstacles for the sake of unity and joy? Take time to pray for the unity and harmony of FBC.
