

Faith Baptist Church D-Group Discussion Guide
November 3, 2024

1. What kind of giving pattern would you need in order to meet the standard set by the widow in the temple? What do your finances reveal about which you value most: the physical or the spiritual?

2. What do you look for when you look for the signs that the kingdom of God is coming? How does Jesus' prophecy concerning the destruction of the temple in 70 AD impact our understanding of His second coming? How will you answer someone who asks, "When will these things happen?" (Luke 21:7)

3. How do we prepare to endure the events described Luke 21:12-19 should they come to us in our lifetime? How do we help prepare our children and grandchildren should this prophecy come to pass in their lifetimes? How do we emphasize to our children and grandchildren the importance of teaching these things to their future generations?

4. What is the most important thing you have learned from studying the signs of the end time? How will this affect your daily life? What will you pass along to the next generation?

Homework for Sunday: Read Luke 22:1-65.
