

Faith Baptist Church D-Group Discussion Guide
September 1, 2024

1. Why is it more impactful to meet people’s needs rather than follow religious traditions and rules? How does meeting people at their point of need reflect the heart of Christ? How does our theology travel from our minds to our hearts and then to our hands?

2. Read James 4:6. Why is humility a mark of someone who is devoted to God? How does pride impair our development as a follower of Christ? How can it negatively affect our service to the Lord?

3. What kinds of people does God desire to fill His table at the banquet (see Luke 14:15-24)? What are some striking implications of God’s invitation to this crowd? How might our actions demonstrate that we are ministering to others for the Lord’s sake and not our own?

4. How can you serve others in your D-Group this week? How can the group welcome and invite others to church through heartfelt service? Share some ideas of how you can serve others and try it out this week.

Homework for Sunday: Read Luke 14:26-35.
