

**Faith Baptist Church D-Group Discussion Guide**  
**September 22, 2024**

1. When you plan for the future, how far in the future do you plan? Does your thinking regularly include eternity? How might eternal thinking change your planning (See Matt 6:19-21)?

---

---

---

2. Money reveals our idols. Read Matthew 6:24. In what ways have you attempted to serve two masters? How did that go for you? What has God entrusted to you to be used with eternal purposes in mind (be specific)?

---

---

---

3. Read 1 Timothy 6:10. What is the dynamic between money and faith? How have you leveraged your finances for God's kingdom instead of your own?

---

---

---

4. How can the faithfulness principle (illustrated in Luke 16:10-13) be seen in your daily life and weekly routine? How might your D-Group continue to encourage you to keep eternity in mind?
