Welcome parents and kids!

We are so glad you and children are here! We provide an age appropriate lesson for children 3yrs - 5th grade, and nursery for children 0-2 years. However, if parents prefer to have their child stay in the service, we welcome that too! In the event your child becomes disruptive, we ask that you please take your child into the lobby where the service is live-streamed.

Please silence your cell phones

We ask that you please silence your cell phone. Thank you!
