SUNDAY SERMON

On Sunday, May 17, we'll be preaching from **John 15:18-27**. Please plan to read the passage during the week ahead and come ready to receive God's Word.

FAITH GROUPS

- In verse 19, Jesus says, "I chose you out of the world." How does that truth shape your identity, priorities, and sense of belonging?
- Jesus connects the world's hatred of believers to its hatred of Him (v. 18). How does remembering that change the way you respond to rejection or criticism for your faith?
- Verse 23 says hatred toward Jesus is also hatred toward the Father. How does this challenge common assumptions that people can love "God" while rejecting Christ?
- In vv. 26-27, Jesus promises "the Helper" (the Holy Spirit) will testify about Him. What is the Spirit's role in evangelism and witness—and what is our role?
- As a Faith Group, name one concrete way you can support one another when facing pressure or ridicule for following Jesus (prayer, counsel, practical help, accountability, etc.).
