

## 2026 Bible Reading Plan

This plan is divided into weeks, so feel free to modify what days you read based on your needs. However, we generally encourage scheduling a consistent time with a specific goal to finish reading when possible.

By reading one chapter of the New Testament and one of the Old Testament each day from Monday to Friday, you will complete the whole New Testament and one-third of the Old Testament. You will also have one Psalm for the first 50 weeks of the year, planned for Saturdays. The plan breaks on Sundays, so you can catch-up or focus on studying the passage preached at church.

If you miss a day, we encourage you to skip that day unless it's fairly easy for you to make up.
