

*Steve & Stephanie Standridge*

*Italy*

Steve is a second generation missionary in Italy. The Standridge's evangelistic effort is accomplished by partnering with their sending church in Rome, and by leading & training believers to have the vision and tools to reach their land with the Gospel. Their responsibilities at the Berea Church in Rome have been primarily: discipleship, leadership training, and fueling vision for personal evangelism and outreach. Their present term started in November 2016. Since then, Steve and Stephanie Standridge have begun a ministry in their neighborhood with Biblical counseling resulting in a new convert opening his home for regular Sunday evening Bible studies. The Standridge children, Simeon and Elisa, have also started a Saturday morning American Breakfast and Bible study to reach their friends.
