

Today we learned about the
Feast of Booths found in
Deuteronomy 16:13-17.

God helped His people by
making the sun and rain to
help the plants grow. We can
celebrate and thank God for all
the things God gives us just like
the people in our Bible Story.
Please tape this bag of beans
to a sunny window. Check the
bag each day to watch the beans
sprout and grow! Please add a
few drops of water as needed.

Thanks for bringing your
preschooler to church today!
