

## Registration Info for First Baptist MMO Preschool 2024-2025 School Year

### General information for new families:

- Registration will open to new families on February 1 and will take place via an online application. A link will be posted on the MMO website on February 1 at approximately 8:30am.
- Applications will be processed in the order they are submitted. A separate application is needed for each child you wish to enroll. You will receive notification from the director within 3 business days confirming that applications have been received and notifying of class placement or waitlist status.
- Registration for currently enrolled families will take place during January, so some classes may already be full. If the class you requested is full, alternative placement options will be offered and/or you will be notified of your place on the waitlist.
- Children can only attend one class per school year, i.e., a 2 year-old cannot attend both Mon/Wed and Tues/Thurs due to the structure of our program.
- Children are placed into classrooms based on their birthdate (age on Sept. 1, 2024) and will remain in that classroom for the entire school year.
- Prior to submitting the application, please check for typos, especially in your child's name, birthdate, and contact email.
- Once your child has been enrolled in a class, you will be sent a link to connect to our school's Brightwheel account. Please register in a timely manner using that link. Enrollment forms and registration fees will be posted in your account. Please submit the registration fee within 2 business days; if the fee is not paid in a timely manner, your spot may be given to someone else. The registration fee is non-refundable.
- Detailed information about our program is found in the parent handbook.
- A readiness guide has been provided on the next page to help you determine the best placement for your child.
