### **VERSE 1:**

Your plans, Your dreams  
Are so much greater  
Your timing, You keep  
It's always better

### **PRE:**

So when I'm feeling weak  
Your strength is always perfect  
So, I'm holding on  
Cause I know it will be worth it

### **CHORUS:**

So I'm waiting, I'm waiting  
I'm gonna keep on waiting  
With my hopes high in You God  
I'm gonna trust in You  
And while I'm waiting, I believe  
That You are never leaving me  
So I'm waiting, I'm waiting  
I'm gonna keep on waiting for You  
Doo doo doo doo  
I'm gonna keep on waiting for  
You you you oh

### **VERSE 2:**

When You move, I'll move  
And not a second sooner  
Cause You're with me, it's true  
I never worry about the future

### **PRE:**

So when I'm feeling weak...  
Your strength is always perfect  
So, I'm holding on...  
Cause I know it will be worth it

**CHORUS:**

So I'm waiting, I'm waiting  
I'm gonna keep on waiting  
With my hopes high in You God  
I'm gonna trust in You  
And while I'm waiting, I believe  
That You are never leaving me  
So I'm waiting, I'm waiting  
I'm gonna keep on waiting for You  
Doo doo doo doo  
I'm gonna keep on waiting for  
You you you oh

**BRIDGE:**

Don't wanna rush it  
Don't wanna jump too soon, no  
My life I'm made for  
I know I'll find in You

**CHORUS:**

So I'm waiting, I'm waiting  
I'm gonna keep on waiting  
With my hopes high in You God  
I'm gonna trust in You  
And while I'm waiting, I believe  
That You are never leaving me  
So I'm waiting, I'm waiting  
I'm gonna keep on waiting for You  
Doo doo doo doo  
I'm gonna keep on waiting for  
You you you oh
