

## Created with a Purpose

By Todd Hershberger on May 27, 2024

**TODAY'S READING:** Genesis 2

### **Adam was Alone** v. 18

God had created gardens, trees, and rivers and put Adam in charge of it all. In Verse 18 God declares, "It is not good that man should be alone." God saw the need before Adam even recognized it. How many times has God provided for us before we knew we needed it? God's love for His people started at the very creation of man and woman.

### **Creation of Woman** vv. 19, 20

God formed all the items of the field, air, the beasts, and animals, but "for Adam there was not found a helper fit for him." God saw the specific need of man and made a woman "fit" for him. So much had been created, and it all had a purpose, but there was still a void in what Adam needed. Not only was woman created, but she was created with a specific purpose. God did not just create us, He created us with purpose. You were created with purpose.

### **The Bond of Creation** vv. 23, 24

God created man and woman, and he designed them to be one with each other in marriage. God clearly explains genders and marriage. We have an identity crisis in our culture as many have strayed from what God designed. Genesis 2 is the foundation of creation, marriage, and genders--fathers, mothers, men, and women.

**PRAYER:** God, thank You for Your creation. Thank You for meeting the needs of Your people from the beginning. Help me find peace in the fact that I was created for a specific purpose and help me find that purpose in my life daily.

**TOMORROW'S READING:** Genesis 18
