MMO Tuition is calculated based on total attendance days for the school year and then divided into 9 equal monthly payments. The first payment is due in August, the final payment is due in April. Additionally, a \$125 registration fee, per child, per year, is due at time of registration. Tuition will be posted on the 1st of each month but you have until the 15th to pay without a penalty. If tuition is paid after the 15th a \$10 late fee will be added. If tuition is not paid by the end of the month your child will not be able to attend MMO until tuition and the late fee are paid.
