THE WIN FOR THE SECURITY TEAM:

As a member of the security team, we need you to make sure kids are safe, secure, and not fleeing the building or hiding in dark corners. You win when you maintain a physically safe place for kids so small group leaders can better focus on creating a different kind of safe place for them in groups.

ACCOUNTABILITY:

Reports to Volunteer Director

QUALIFICATIONS

You love God.

You care about kids.

You're committed to creating a physically safe environment for kids.
