Joint Committees  
Planning & Budget Meeting

**Monday, Sept. 23, 2024  
@ 6:00 PM**

Church leadership and all  
committee members are urged to  
attend this important meeting!  
Committee officers will be elected  
and budget planning for 2025  
will begin. We will also be  
discussing the 2025  
church calendar.

The following items of business will be presented at today's Regular Business Meeting following the Evening Worship Service.

Transportation Committee Motion

For the past (3) summers we have had ongoing issues with the 25-passenger bus air conditioning system that has resulted in having to borrow vans from other churches to transport our children and youth to summer camps and out of town activities as well as having to look into renting a van for some of our adult ministries.

Because of the unreliability of the bus, the Transportation Committee will be making a motion to purchase two 15-passenger mid-roof vans at a cost of \$63,372.25 each for a total cost of \$126,744.50. Following the purchase of the two vans, the decision will be made on whether to keep or sell our 25-passenger bus.

The Budget and Finance Committee will recommend funding the vans through Capital Reserve.

Building Committee Motion

The Building Committee will be making a motion to purchase a unit for the 2nd floor that heats/cools the 2nd floor restrooms, hallway and the classroom at the north end of the hall. The cost of the unit will be \$6,200.00.

The Budget and Finance Committee will recommend funding the heating/cooling unit through Capital Reserve.
