The FBCMI budget represents a unified stewardship plan. Your tithes and offerings become the means for the function and ministry of FBCMI, including global and local mission impact, ministry resourcing, personnel provision, and facility care. This unified approach allows for greater transparency and clearer communication.

## HOW DOES FBCMI FUND MISSIONS?

When you give to the general budget, you are helping to fund local and global missions. As tithes and offerings are received, 10% is transferred to fund FBCMI's mission strategy. The final mission budget is determined by the final budget amount given. To establish a unified approach, mission-designated funds received will offset the 10% amount of the transfer.

## IS IT POSSIBLE FOR MORE THAN 10% OF THE FBCMI GENERAL BUDGET TO BE GIVEN TO MISSIONS?

Yes! At the close of the budget year, any general budget overage will be distributed equally to the following designations: missions, debt retirement, and capital improvement. Because tithes and offerings exceeded the 2022-2023 budget, missions received **\$25,000** in extra funds. Because of your generous giving during the 2023-2024 budget year, missions received an extra **\$62,000**. **What will God do through you in 2024-2025?**
