### Spring is Here!

We have just celebrated Easter. Because Jesus lives, we too shall live!

Nature is giving us a wonderful testimony of this truth. We are enjoying the great weather, the beautiful flowers and green grass all around us. This evidence of new life is such a blessing each year.

In our Sunday morning services we will have our regular good music and our prayer time, as usual. We will also return to our study in the Gospel of Luke. Luke wrote this gospel to his friend Theophilus for a purpose; *“That you may know”* about the life and teachings of Jesus. We will focus on chapters 7 and 8 this month.

In our Sunday evening Bible Studies we will sing our favorite hymns. We will conclude our study of Paul’s first letter to Timothy. Our theme was *“Fight the good Fight.”* We will also begin studying Paul’s second letter to Timothy. Our theme will be *“Keep The Faith.”*

We are planning to have a Church family potluck on April 14<sup>th</sup> right after the morning service. We invite you to bring a dish to share with others. We always have great times of fellowship at these events.

We are also planning to have a Church family meeting on April 24<sup>th</sup>. We will be hearing about important business matters for our church.

We love to see all of you come and worship together. Don’t miss it!

In His Loving Service, Pastor Tim Rempel

*“The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full.”*  
*John 10:10.*

I love this time of year! There is new life and growth all around us. It amazes me how God makes it possible to plant a sprout of a plant and it will grow roots and thrive! How God makes it all possible in this world He has created. It's sad to note that God created us to have life to the full but many fail to acknowledge the creator and giver of life. Now living to the full? Hmm...many of us think that this means that we will receive everything we want; money, houses, possessions, relationships and on and on, but what do plants do? They don’t strive, they simply stay attached to the vine and God does the work! I am thinking of some of the things we are learning in the class Pastor Tim Rempel is doing right now. Let's stay connected and see what God has planned!

We will be having a youth family BBQ on the 21<sup>st</sup>. Parents and siblings are welcome to join in a meal; we will provide the main course but if each family will bring a side dish to share. More info to come.

Also, our rescheduled Bible Discovery Week planning meeting will be at 5pm on Sunday April 28<sup>th</sup>. Come and see how you can help!

May God richly bless you as you abide in Him!
