Pray God would open the hearts of those in the Arab and Muslim communities to the gospel message, especially the many people who are watching our weekly live streaming services. Pray also for the team serving us.

Pray 05/15/2022 – 05/21/2022

CINCINNATI, OH

"We pray for the ethnic planters in our city as they navigate through our American culture to share the gospel with those who have come to Cincinnati from distant places. Pray for their health and that they would have the time they need to minister effectively. We also pray that God will give the churches in our community a spirit of unity as we follow Christ. Pray also for our bi-vocational and co-vocational church planters who need the strength to succeed in their ministries. We also ask that you pray for our city leaders and government officials, that they will govern justly and fairly." ~Travis Smalley, Cincinnati Send City Missionary
