Pray The Lord might reward our labor in the mission field with a bountiful harvest as we seek to grow our bilingual English-Spanish church by means of evangelism and discipleship. Pray for leaders to arise and plant more churches.
Pray 06/26/2022 – 07/02/2022

CANADA

Most of Canada could be described as either post-Christian or secular, but the good news is that the number of evangelicals across the country is growing. Still there is much work to do. Much has changed in recent years, but the opportunity for the gospel to be shared in new and creative ways is tremendous. Pray The Holy Spirit would prepare and equip workers who are being sent out across Canada so they can present the gospel of Christ in a way that pierces the hearts of all Canadians.
