**Week of Prayer:** 06/07 – 06/13

Pray for unity and for regular gospel sharing by our team. Pray for new gospel laborers to South Florida for personal evangelism and church planting.

### SOUTH FLORIDA

“Pray for a church planting movement to take place in South Florida where it's estimated that 95% of the 7 million residents are unchurched. Pray for church planters and their families who are on the front lines pushing back lostness in the midst of intense spiritual darkness. Pray for efforts to discover, develop and deploy church planters across South Florida, praying specifically as we help churches implement a Multiplication Pipeline to develop new church planters and team members.” ~James Peoples, South Florida Send City Missionary

### WE ARE BACK TO CHURCH – PTL!

We are finally able to meet together at the church, PTL. Yes, we are following the safety precautions as asked by our Governor, through Father's Day, and then we will consider the situation again. We hope and pray you'll set aside personal feelings on the subject and come back to church to worship with your family. When all is said and done, that should be all that matters. I heard a saying today...“church is different; we need a lot of grace & extra space.” All we're asking is to wear the masks upon entrance and exit, and stay 6 feet apart. If you have a hard time with your mask, you may pull it down or take it off when you're in your seats. God wants us to worship together and would never give you more than you can handle. Please know this is temporary. If you have health issues, we completely understand and would advise you to stay home until you're comfortable being around others, but we miss and love you all. Thank you.

Thank you Jerry & Marsha Silva for all your hard work in preparing our church for worship service.
