JOURNEYMAN

NAMB Journeyman are recent college graduates who become missionaries for a two-year term. Journeyman work with and through NAMB's compassion ministry, Send Relief, where they become a vital part of NAMB missionary teams at Send Relief Ministry Centers and NAMB Send Cities. Serving as a Journeyman allows young professionals to be employed, serve on mission and explore the potential for lifelong service as a missionary or church planter. Pray many new missionaries and church planters would serve through the Journeyman program.
