Pray for us as we aim to establish a healthy church here in East Lansing next to the Michigan State campus. Also, pray more church planters will be raised up to

plant at other major universities here in Michigan.

Pray 8/21/2022 – 8/27/2022

COLLEGIATE CHURCH PLANTING

Millions of students populate the campuses of colleges and universities across North America every year. Ask God to raise up pastors and leaders who will plant churches on or near every university and college campus in North America. Pray there would be a generation of college students who choose majors and vocations that will enable them to help plant churches in North America. Pray that every college student involved in a Southern Baptist church or collegiate ministry can lead at least one person to Christ before he or she graduates from college.
