September 2022 Giving

FBC, Newman has more than a few ways for you to give...you may give online through tithe.ly on our website, by mail, by dropping your envelope off at the church office, or at a Sunday morning service. We thank you for faithfully giving. Clearly mark your offering envelopes with your name, amount of your tithe or offering, your address, and any changes we need to make. Please include the date of your offering on your envelope.

Pray there would be many professions of faith in Jesus among the people in the communities we serve. Pray local churches would be strengthened so they can continue the work of discipleship. Pray God would send more workers for His harvest. **Pray 9/11/2022 – 9/17/2022**

SEND RELIEF

NAMB and the IMB are partners in Send Relief, a compassion ministry that aims to be a movement of churches demonstrating God's love by meeting significant human needs at home and abroad. Many of these needs are met through strategically placed Send Relief Ministry Centers. The goal is to inspire people to action and provide the resources and experience to successfully establish or grow a similar ministry in their area. Pray the impact of these ministry centers will be multiplied as people are trained and sent back to their home communities. Pray for your church as it reaches out to your community and the world.
