WHO'S YOUR ONE?

Imagine if every member of your church could answer that question with the name of a person. How would it change your community? When you think of someone far from God, who is the first person who comes to mind? Is it a neighbor? Coworker? Parent? No matter who it is, God can use you to reach them. Pray for yourself, your church and the churches of North America as they seek to reach the lost using the Who's Your One? ministry tools.
