HISPANIC MINISTRY

The number of Hispanic SBC churches grew by more than 65% between 2000 and 2010, according to Annual Church Profile statistics provided by Lifeway Christian Resources. Pray God will raise up planters who have a burning, God-given passion to reach Hispanics (whether they are first, second or third generation) by starting new, Multiplying Churches in North America regardless of the obstacles they may face. Pray for Hispanic leaders who would intentionally, by word and deed, influence established churches and pastors nationwide to become Sending Churches in their geographical areas and across the U.S. and Canada.
