WEST

Vast spiritual lostness describes just about the whole western region of the United States. Almost 9 out of 10 residents in the West have no relationship with Christ. Pray for the urban Send City areas of the West. Pray for the lost in the very religious areas like Salt Lake City. When you are in a secular place, it is easy to see the need for the gospel, but when religion is all around, lostness is well camouflaged. Pray for the more rural areas like Hawaii. Paradise needs partners, too.
