Pray the families in our launch team will press into The Lord and be bold with their faith. Pray God would continue growing our church as it launches next year and provide a space for us to meet. Pray protection over our children. Pray 02/05/23 – 02/11/23

DENVER, CO

"Pray The Lord of the harvest will raise up and send out new church planters and teams to engage people with the gospel and plant 100 new churches. Pray for our churches as they develop and deploy plans for training and discipleship and pray for a multiplication of leaders to plant the churches. Pray our planters will secure facilities in which to hold worship services, given some of the resistance they experience in their communities. Pray for a spiritual awakening in our city and region of 4.6 million people." ~Dave Howeth, Denver Send City Missionary
