Pray human trafficking victims can escape the exploitation they are experiencing, and that God will protect the homeless as they are most vulnerable to being trafficked. Also, pray our staff will remain encouraged and strengthened as we minister to hurting people.

Pray 04/16/23 – 04/22/23

SOUTH

Despite a legacy of evangelical fervor in the South, new generations and new immigrant populations make the need for new, contextual, gospel-centered churches – even in the Bible Belt – forever present. Pray for our planters and families as they serve on the front lines; much spiritual darkness still abounds in cities like Atlanta, New Orleans and South Florida.
