Chaplain.hyder@gmail.com

Pray for my wife's ongoing health issues as she recovers from breast cancer. Pray for my adult daughters, one of whom has severe health challenges. Pray for our ongoing ministry to our nation's Marines, Sailors and their families. **Pray 04/23/23 – 04/29/23**

WEST

Vast spiritual lostness describes just about the whole western region of the United States. Almost nine out of 10 residents in the West have no relationship with Christ. Pray for the urban Send City areas of the West – Las Vegas, Los Angeles, Phoenix, San Diego and the San Francisco Bay Area. These cities alone are some of the most diverse and densely populated in the nation. Pray God will equip church planters to reach Westerners in creative ways.
