

FBC, Newman has more than a few ways for you to give...you may give online through tithe.ly on our website, by mail, by dropping your envelope off at the church office, or at a Sunday morning service. Clearly mark your offering envelopes with your name, amount of your tithe or offering, your address, and any changes we need to make. Please include the date of your offering on your envelope. **Guest Wi-Fi Password is: guest1234**

VANCOUVER, BC

"Our West Coast city is beautiful and diverse. It is also densely populated and expensive. Pray for our missionaries and their families as they live and serve in a truly global city. Pray churches and church plants will show and share the hope of Jesus in their communities and to the ends of the earth. And pray partners will join our local churches and missionaries in this task." ~Peter Blackaby, Vancouver Send City Missionary

We are going to print an UPDATED copy of our Church Directory with pictures, email addresses, phone numbers, and birthdays in the first week of November. If you haven't submitted a picture there is still time. Also, we would appreciate it if you would update Ruth with any changes to your information so we can print accurate information. Thank you so much!

Please make sure to pray for and thank our pastors and their wives for all they do. You may leave cards or gifts on the back table in the Sanctuary in the basket – or you may give to them yourselves.
