Then they said to one another, "We are not doing right. This day is a day of *good news*. If we are silent and wait until the morning light, punishment will overtake us. Now therefore come; let us *go and tell* the king's household."

Pray the lost in our community will find their home in Jesus. Pray we find favor with the spiritually apathetic people in our area and reach those who are

far from Christ. **Pray 10/29/23 – 11/04/23**

### **PHILADELPHIA, PA**

“Pray God would raise up church planters who are burdened to reach three important communities in the Send Philadelphia region; Conshohocken, Upper Darby and the Point Breeze area of South Philly. Each of these locations is densely populated and growing rapidly. The populations of Upper Darby and Point Breeze are incredibly diverse, and we are asking God to raise up laborers who have an eye for contextualized ministry to serve in these communities.” ~Kyle Canty, Philadelphia Send City Missionary
