Pray for God to continue equipping His people in east Toronto to be active members of His Body who impact the communities where they live with the gospel. Pray for more laborers.

Week of Prayer: 07/26 – 08/01

HISPANIC MINISTRY

The number of Hispanic SBC churches grew by more than 65% between 2000 and 2010, according to Annual Church Profile statistics provided by LifeWay Christian Resources. Pray that God will raise up planters with a burning, God-given passion to reach Hispanics (whether they are 1st, 2nd or 3rd generation) by starting new, Multiplying Churches in North America, regardless of the obstacles they may face. Pray for Hispanic leaders who would intentionally, by word and deed, influence the established churches and pastors nationwide to become Sending Churches in their geographical areas and across the U.S. and Canada.
