PUERTO RICO

The population of Puerto Rico exceeds 3 million, and the main religion of this U.S. territory is Catholicism. The lasting devastation of Hurricane Maria, which hit the island in 2017, remains great but has also opened the door for Southern Baptists to show love and share the gospel like never before.

Get ready for **Bible Discovery Week**, Theme: “Israel: Walking with Jesus”, June 24th thru 28th. You may **register your child from grades K–6 online at <https://tinyurl.com/BDW0624>**. If you're able, we need your help with donations of individually wrapped snack foods for the children participating. We also need help with the dinner meals that are scheduled for 5:30pm each evening. Your generosity is truly appreciated. There is a sign-up sheet on the bulletin board. We are thankful for whatever you can do.
