### **JOURNEYMAN**

NAMB Journeyman are recent college graduates who become missionaries for a two-year term. Journeyman work with and through NAMB's compassion ministry, Send Relief, where they become a vital part of NAMB missionary teams at Send Relief Ministry Centers and NAMB Send Cities. Serving as a Journeyman allows young professionals to be employed, serve on mission and explore the potential for lifelong service as a missionary or church planter. Pray that those who are exploring a call to missions or church planting will consider being part of the Journeyman program.

*We are looking for a universal solution to our problems, but the cross presents itself in the midst of our dilemma as our only hope. Here we find the justice of God in perfect satisfaction—the mercy of God extended to the sinner, the love of God covering every need, the power of God for every emergency, the glory of God for every occasion. Here is power enough to change the world. —The Hour of Decision, April 3, 1966*
