### CALGARY, AB

“Calgary is experiencing rapid growth and recently became the third largest city in Canada. With increasing ethnic diversity and our population, the opportunity and urgency for gospel influence is greater than ever. Please pray with us for God to raise up church planters with a heart to reach and disciple the lost, as well as a determination to multiply and send leaders into the mission field. Pray also for the Lord to grant our sinned network planters and pastors unusual unity with each other, love for our communities, intentionality to impact our city, and passion to plant more churches.” ~Daryl Molyneaux, Send City Missionary
