Lord, hear my prayer, and listen when I ask for mercy. I call to You in times of trouble, because You will answer me. Psalm 86:6 – 7

Nobody else on the face of the earth is praying to God except Christians. That's why Christians must be about the business of intercessory prayer. When we encounter battles and struggles in life, the first step of the Christian is to pray. Every time we pray about something, every time we sincerely take something to God, God handles it, and God deals with it. *An excerpt from 'Walking with The Savior' by Max Lucado*

The California Mission Offering is the primary funding source for Kingdom work in California and is used to support migrant workers, pastors, and evangelistic events. The CSBC encourages churches to participate by sharing information about the offering, spending time in prayer, and gathering contributions. Resources like videos, posters, and bulletin inserts are available in multiple languages to help churches engage with the campaign. The emphasis will be God's guidance, power, and provision in reaching those in California who need to experience the hope of salvation in Jesus Christ. (**Materials coming soon**)
