Pray Like You Really Mean It

As we observe the prayer life of Jesus, we notice the earnestness with which He prayed. The New Testament records that in Gethsemane He cried out with a loud voice, that in the intensity of His supplication He fell headlong on the damp ground of the Garden, that He pleaded until His sweat became "as it were great drops of blood" Luke 22:44.

Too often, we use petty petitions, oratorical exercises, the words of others, rather than the cries of our inmost being. Too often, when we go to prayer, our thoughts roam. We insult God by speaking to Him with our lips while our hearts are far from Him. Suppose we were talking to a person of prominence, would we let our thoughts wander for one moment? No, we would be intensely interested in everything that was said. How then dare we treat The King of kings with less respect? **Breakfast with Billy Graham**

Then they left the presence of the council, rejoicing that they were counted worthy to suffer dishonor for the name.

Also, Our church is growing and we have an urgent need to have more volunteers that are cleared and trained to work with our youth and children's ministries. If you are interested please talk to one of the staff.
