The Good News Clubs have started up again, and now we have a club in every elementary school within NCLUSD. We kindly ask for **your prayers** for the success of the clubs this year and that **more children will attend, hear the Gospel, and make a decision for Christ**. If you are able, we would greatly appreciate donations of snacks. We would like to ask you not to bring chips or snacks made in your kitchen.

NAMB PRAYER CALENDAR

Over the last eight years, pastors and churches just like yours have continually raised the bar for generosity to the *Annie Armstrong Easter offering*, setting new records for seven out of the last eight offerings. In October, we announce the year’s AAEO total, so we want to say thank you! Whether you’re a pastor, a volunteer, a church member, or an

associational or SBC leader, it’s because of you that we’re able to move the mission forward through evangelism, church planting, and compassion ministry. Pray that the dollars given to this year’s offering would support our missionaries well as they take the gospel to people all over North America. **Pray from 10/05 – 10/11**

GENSEND

GenSend empowers college students to live on mission by providing an opportunity for them to spend their summer and school breaks engaging with the lost in some of North America’s greatest cities. Pray that more college students will dedicate their school breaks to sharing the transformative hope of the Good News with a fallen world. Pray that students will grow in their leadership capacity through this experience and that they will be able to provide practical support for church planters in the cities where they serve.
