We kindly ask for **your prayers** for the success of the clubs this year. **Father God**, we pray for the hearts of the children who will attend the clubs this year, that they are receptive to the Gospel message. May Your Spirit work in their lives, drawing them close to You. May they hear about Your love and grace. We pray for the effectiveness of the lessons and activities. May they not only be enjoyable but also deeply impactful, planting seeds of faith that will grow in the lives of these young ones. Help the leaders to communicate Your truth with clarity and passion, so that each child understands the gift of salvation through Jesus Christ. In Jesus’ Name, Amen.

## SEND RELIEF MINISTRY CENTERS

Send reliefs strength lies in working alongside churches, believers, and faith-based organizations to build up the communities they are already serving. By partnering with local organizations and fellow Christians, we are able to create environments in which future ministry leaders can develop skill sets, take part in specialized trainings, and engage in unique missional opportunities that will prepare the leaders of tomorrow to continue serving those in need with compassion and confidence. The goal of their ministry leaders is to equip churches to respond to life-altering moments in their communities while sharing the life-giving Gospel of Jesus.
