Pray for the residents of Park Place to continue growing stronger in their faith as the end of life nears. Pray for the church in America to continue reaching out to seniors and planting churches among this forgotten people group. **Pray from 12/07 – 12/13**

### INDIANAPOLIS

“Indianapolis is a wide-open mission field. Pray that God would send church planters who are supported by partner churches to plant in this metropolitan area of over two million people. Pray that God would strengthen the current church plants at work in our city and enable existing churches to establish church planting residencies and leadership pipelines that lead to increased Great Commission fruitfulness in the days ahead!”
