Pray for an even greater harvest of souls from people around Portland and for them to experience God's love. **Pray 3/15 – 3/21**

PACIFIC NORTHWEST

The Pacific Northwest region of the United States is one of the least evangelized. Seattle, Washington, and Portland, Oregon, are recognized by the Public Religion Research Institute as the two least religious cities in America. Pray for the Holy Spirit to open hearts there, for many people to become curious about spiritual things, and for God to call many laborers there to speak the gospel boldly. Pray for many lives to be transformed in this region by coming to know Jesus.
