Nick and Emily Hendren

Church Planter, Family Church Siloam Springs

Pray for wisdom and provision as they seek future expansion to continue meeting the needs of their growing community. Pray for new opportunities to engage the next generation with the gospel, including children, students, and college students from the local university. Pray during **07/12–07/18**.

Southern U.S.

Despite a legacy of evangelical fervor in the South, new generations and new immigrant populations make the need for new, contextual, gospel-centered churches-even in the Bible Belt-forever present. Pray for our planters and families as they serve on the front lines.
