Church Planter, UChurch

Pray for us to find new ways to reach out and engage the Ukrainian community in Western Washington. Pray for God to heal Ukrainian families in our church who have been affected by the war in Ukraine. Pray during **08/09–08/15**.

Send Network One Day

Send Network One Days are local events designed to inspire and equip Jesus followers to join God's mission of expanding His kingdom. These events aim to multiply disciples and churches across North America through prayer, worship, and collaboration. Pray for the church planters, sending pastors, ministry teams, and faithful Jesus followers who attend these one-day events to be compelled and equipped to take the next step in advancing the gospel in their community. Pray much eternal fruit will be born from these one-day gatherings.
