Church Planter, Resonate Church Grand Junction

Pray for God to puncture the darkness at Colorado Mesa University, saving and healing the lost on campus. Pray for God to raise up leaders to be sent on campus, in the city, and across the world. Pray during **09/13–09/19**.

Collegiate Communities

College campuses are fertile ground for gospel seeds to be scattered. Freshman enter their first semester looking for connection and purpose. Students are hungry for what's real and genuine. They're seeking discernment for what their futures will hold. Pray for God to divinely bring gospel conversations to the curious. Ask Him to grant students hearts of faith to believe in Jesus and choose to live radically obedient lives for Him. Pray for their protection from a culture that offers them anything but the narrow road. Ask God to empower their witness and ignite a multiplication movement across North American campuses.
