Never a slipping grip

We will be outside this Sunday for our Drive-Up service. We ask that you **STAY** in your cars at all times...this is for your safety and the safety of others. If you have a tithe envelope to give, please drop it in the metal box on your way out; it will be located on the sidewalk next to the church sign.

Please remember to pray we all remain healthy and safe from Covid-19. Pray for the complete recovery of those who are dealing with Covid now, and let's all pray that the vaccines are effective and that the virus will be under control very soon. These are very difficult times we're living in and we have to place our faith and trust in our Lord and Savior Jesus Christ...and pray without ceasing. Let us all commit to more time in The Word and in prayer, every day!

Make sure to take advantage of all the available Zoom.us meetings during the week to stay in touch with your church family. You could also pick up your phone and call some people you haven't seen or heard from in a while. We sure miss seeing you all...
