**WE ARE BACK IN OUR SANCTUARY AT 11am!!** For those who are still not comfortable being in person, the morning service will be on Zoom and posted to the website, YouTube and Facebook. We will be having worship music for morning service, but the CDC still says no singing, so let's all decide to sing in our hearts together, making a sweet, sweet sound in His ears. We also ask that you enter through the front double doors wearing your masks, stay 6' away from others not in your immediate family, and we ask that you refrain from gathering in groups to visit inside the church. We will be dismissing back rows first and ask that you use the side Sanctuary exit door.

Please remember to pray that we all remain healthy and safe from Covid-19. Pray for the complete recovery of those who are dealing with Covid now, and let's all pray that the vaccines are effective and that the virus will be under control very soon.

We're living in a time that most of us haven't experienced in our lifetimes, so we must place our faith and trust in our Lord and Savior Jesus Christ. Let's all commit more time in The Word and in prayer every day! I'm not sure about you, but that's how I'm able to get through these daily challenges.

Make sure to take advantage of all our website has to offer, whether it's attending our Men's or Women's Bible studies, our Wednesday evening prayer time at 6:30pm, or the many current sermon series and archived sermons that are available at [www.fbcnewman.org](http://www.fbcnewman.org).
