Pray for our church to be a light on a hill pointing others to the good news of God's free grace through Jesus alone in a city trying to earn it.

### SALT LAKE CITY, UT

"Pray for our new church planters who are trying to build core teams and reach out to our communities. Pray for planters' emotional, spiritual, physical and financial well-being as they plant churches, lead their families, handle sensitive cultural issues, pastor both online and in person and witness to their community. Pray that God will use challenges for His glory to see many people come to know the Biblical Jesus and be forever changed by Him!" ~Bobby Wood, Salt Lake City Send City Missionary
