## **Military Communities**

“Ask that God will give wisdom, discernment and endurance as we support the spiritual needs and development of our military members and those who love them.”

September is when we recognize and give to California Mission Offering. Consider what you will give – over and above your regular tithe. There are 35 million people who don't know Jesus in California, and we have an opportunity to reach them. With so many leaving our state, we are calling to re-engage our churches, our communities, and our convention. This year's theme is inspired by Dr. Bill Agee as he called

churches in California to focus on re-engaging their neighbors. With so much heartache and hardship in the last year, California needs the local church to show up. The long history of Southern Baptists has proven the power of collective resources for the sake of the gospel. The California Mission Offering is that collective in action. **Thank you for your generous giving. FBCN has raised \$492.00 for CMO thus far. PTL!**
