“Be strong, and take courage, all you who wait for the Lord!” Psalms 31:24

Dear Church family,

As we wrap up 2025 and begin 2026 let me begin by just saying “Praise the Lord!” Just think about what God has done this past year? God has blessed us so! We have much to be thankful for, from new members, to a regular children's church ministry, and faithful giving to many community outreaches. We have a growing youth program on Wednesday nights, along with a team of adult youth volunteers, and multiple baptisms and many visitors that are hearing about what God is doing!

I believe that God is calling us to more! To take the verse above to heart and trust Him in this New Year to be strong and bold, not in our own strength, but God's, and totally depend and wait on Him!

Our ‘revamped’ Wednesday night youth program that started in October has shown us that there is a real need to minister to kids, even younger kids than the typical youth age, so beginning in January we will be having Powerhouse Youth and Children's programs going on regularly. We will be dividing for games and lesson times, then we come together for a time of worship, which has been a real blessing to see...these kids are truly praising God!

Check out the calendar to keep up to date on all the activities and services going on, and I am asking you to fervently keep our Church in your prayers!

Waiting on Him! *Pastor Tim Weimer*
